Parking at Spark, standard days (Oct 7, Oct 14, Oct 21)

When there is no stadium event, park at no charge in Lot B, C, or L. Lots B and C are on the Randol Mill Road side and are closest to the Spark entrance. Lot L sits a little farther north on Ballpark Way. From wherever you park, allow an extra 10 minutes to walk to the entrance. See the map on page 2.

Game-day note (Sep 16 and Sep 23): the Rangers play at home those evenings, first pitch 7:05 PM. For our noon session you should still find normal parking in the late morning, so be parked by 11:20 AM and plan to leave by 2:30 PM, before game traffic and paid parking begin. If a lot is already gated when you arrive, call Spark and they will point you to the nearest open option.

Step-by-step driving directions to the lots

Easiest is to set your maps app to **Spark Coworking Arlington**. If you would rather not use the map, follow the route from your direction:

From I-30 (either direction): take the Ballpark Way exit and head south on Ballpark Way. Lot L is on your right after you cross E Road to Six Flags. Keep going toward Randol Mill Road for Lots B and C.

From Highway 360: exit at Randol Mill Road and head west about one mile toward the stadiums. Lots B and C are on your right as you reach Ballpark Way and Stadium Drive.

From the south (Division or Abram Street): head north on Ballpark Way or Stadium Drive toward the stadiums. Lots B and C are near the corner of Randol Mill Road.

From the west (Collins, Center, or Cooper Street): head east on Randol Mill Road toward the stadiums. Lots B and C are on your left as you approach Ballpark Way.

Walk in and check in

1. From any lot, walk toward Choctaw Stadium, the older ballpark next to Globe Life Field.
2. Look for the double glass doors with the six red and white baseball statues, at the Randol Mill Road and Ballpark Way corner. That is the Spark entrance.
3. Check in with Security. They will send you to the 3rd floor, where Spark staff will walk you to the B.I.D. Academy room in Suite 305.

GPS tip: typing only "1000 Ballpark Way" can route you to a random stadium gate. Search "Spark Coworking Arlington," or aim for the intersection of Randol Mill Road and Ballpark Way.

September 30 only, Arlington Sub-Courthouse

This one session is **not at the stadium**. It is at the Tarrant County Sub-Courthouse, 700 E. Abram Street, Arlington, TX 76010, in downtown Arlington, about 10 to 12 minutes west of Spark. There is free self-parking in the building lot, so parking is simple. Same check-in window and 12:00 to 2:00 PM session time. From I-30, take the Cooper Street or Collins Street exit south to Abram Street, then east. From Highway 360, take Abram Street or Division Street west into downtown.

Before you leave the house: wear comfortable shoes for the walk in, bring water and a light layer for the indoor air conditioning, and aim to arrive by 11:30 AM so you are settled and ready to network before noon. No car? Rideshare drop-off is easiest at the double-doors entrance on the Ballpark Way side, and Via Arlington also serves the Entertainment District.
